The technical drawing is a detailed cross-sectional view of a mechanical unit, likely a fan or pump assembly. It shows two main horizontal sections. The top section contains a large circular component, possibly a fan or impeller, with a central shaft and a motor. The bottom section contains a similar but smaller circular component. Various pipes, valves, and structural supports are shown. Dimensions are indicated with lines and text: 'DN40' is written vertically on the right side of the bottom section, and 'DN40' is written vertically on the left side of the top section. A yellow circle is located in the upper right corner of the top section. A blue circle is located in the lower left corner of the bottom section.
